EXPERIENCE

The Global Career Accelerator

Remote

Digital Marketing Intern

May 2026 – Present

- Built a Shopify storefront for a mock direct-to-consumer brand, setting up the theme, navigation, brand voice and product copy from brand guidelines.
- Ran a competitor content analysis, defined three Instagram content pillars and wrote platform-specific community management responses.
- Ran A/B tests and SEO keyword research to optimize product pages and metadata.
- Collaborated in weekly agency-style team labs, developing customer-acquisition and brand strategy for real-world case-study brands.

Devon Review

Remote

Copywriting Intern

June 2026 – Present

Infusion Magazine

Athens, GA

News Director, Executive Board

Incoming, Aug 2026

- Selected to the executive board to lead news coverage strategy and direct staff writers across the publication.

Section Editor, Fashion and Beauty

Oct 2025 – Aug 2026

- Led the Fashion and Beauty vertical for Volume 23, Issue 1, overseeing content strategy and writer assignments.
- Edited two major drafts per issue to ensure adherence to AP Style and brand voice.

University of Georgia Main Library

Athens, GA

Library Shelving Assistant

Oct 2025 – Present

- Shelled and organized over 1,000 books and folios using the Library of Congress Classification system.
- Maintained stack-area orderliness through regular shelf-reading and shifting collections to optimize shelf space.

PROJECTS

Athens-Clarke Extends Data Center Moratorium | *Reporting I, Grady College* | [link](#)

Mar 2026

- Covered a Mayor and Commission meeting and surfaced a lede from a long agenda, identifying utility costs, water use and power demand as the residents' core concerns.

Former Racer Returns to Athens Twilight | *Grady Newssource* | [link](#)

Apr 2026

- Reported a bylined event preview, interviewing a former Twilight racer scouting the downtown course with UGA Cycling the day before the pro races.

Personal Portfolio Site | *Self-directed* | gracejoypark.com

Spring 2026

- Designed, copywrote and shipped a personal portfolio site, building it in Astro with Claude as a coding partner, deploying via GitHub to Cloudflare Pages, and configuring a custom domain and email routing.
